

## TIRED OF WORKING FOR OTHERS? BE YOUR OWN BOSS

Join a network of entrepreneurs who chose Postal Connections to meet their goals. A Postal Connections store is an opportunity to build a family business, an asset that gains value, or a way to establish a new career where you want to live.

**Financing options are available** and we can help you get started. Postal Connections has developed a unique method for financing your new business without “putting up” your home or other personal assets. Ask us how to qualify. We also work with you to qualify for an SBA bank loan, financing using your 401K or IRA, self funding. Flexible store operations, favorable vendor arrangements, and new product development are many other reasons why people are joining Postal Connections.

### Why Postal Connections?

We understand you want to work for yourself and have a flexible, proven system in place to build your future.

### Date To Compare!

We strive to deliver the same or better value as other industry franchises, but at a lower initial investment, lower franchise fee and lower royalties.

### Business Finance Assistance

Postal Connections can assist you with finding financing options. Our sources include traditional SBA loans and a unique business credit plan offering a capital lease program where you own the store after 5 years.
